38 Plant Street RICHMOND HILL QLD

5 2 2

Representing great value for money in today's market, this sizable five bedroom family home located in popular Richmond Hill will accommodate the entire family.

A recent external makeover has been completed with painting of all exterior surfaces and trims, and a new set of timber front stairs giving the home a fresh and renewed look.

The separate lounge on entry leads you through to a lengthy hallway directing you through to the practical kitchen that offers plenty of storage space and a spacious dining area.

Four of the five bedrooms are positioned in the main area of the home and also lead off from the hallway along with the spacious and modern main bathroom. The fifth
