16 Churchill Street RICHMOND HILL QLD

3 1 2

If only these walls could talk! This beautiful Queenslander positioned on the fringes of Centenary Park would certainly have some tales to tell.

Steeped in tradition you will find classic features of yesteryear grandeur, casement windows, timber louvers, timber floorboards, high ceilings, fretwork, French doors, tongue and groove walls, that all add to the charm of this home.

An expansive wrap around verandah on entry, sets the tone for what you can expect to see throughout, gasps of oohs and ahhs will now begin. Oodles of casement windows, banks of glass and timber louvers let in natural light and air flow all the way through and it's simply enchanting to sit and overlook Centenary Park from this position at any part of the day.
