99 Stublely Street CHARTERS TOWERS CITY QLD

3 1 4

Large Family Block Home, In-Ground Pool & Shed

Practical and solid family home boasting huge open plan living area, three large bedrooms, large open verandas on three sides, huge covered carport, in-ground pool, 1 bay powered shed, and lovely tropical gardens and so much more.

Overall this package is very appealing and is in quite a central position, close to CBD of Charters Towers but certainly far enough away. While this home isn't completely updated, it's certainly a home with great potential of easily updating and creating a fourth bedroom and even an ensuite and still have extra large living space. Potential plus!
