8 Regent Street CHARTERS TOWERS CITY QLD

3 1 3

What a winner this one is, located in a lovely quiet street on a fully fenced 1012m2 block, with a 3 bay shed.

Solid, neat and tidy characteristic timber home this really is a fantastic package and still left with so much potential to add more value to this property.

This lovely Queenslander has stunning pine polished floors in most of the living areas, carpet in the rest of the house, three bedrooms or two and an office and front enclosed verandah. This area is quite large and has the real potential of creating another bedroom and still have a sun room or just a welcoming entrance.

As this house has been freshly painted not that long ago
