They don't get any more stunning than this immaculately renovated Queenslander. She is a genuine beauty to behold!

The classic Queenslander staircase is a grand entry to the beautifully ornate wrap-around verandah. The low maintenance Modwood decking used on the verandah combines both function and durability without sacrificing any style.

From the verandah you are led directly to the upstairs living area and onwards to the three air-conditioned bedrooms with built-in robes. The main bedroom includes a large walk-in robe and private access to the verandah.

In the upstairs you will find the tasteful and spacious full bathroom with separate shower recess and bathtub.
